

Restarting Worship in the church building

We're planning to restart worship in the church building. We are looking forward to welcoming you, but as the situation can change very rapidly, the dates below are subject to change or cancellation depending on government guidelines and church advice.

The online and printed services will continue so that we can all still share in the same worship together. We will be following government requirements to ensure that risks are minimised. Please do not attend if you would be putting your health, or the health of others, at risk.

If you would like to come to a service in the building, we would love to see you. You will need to register so that we can ensure safe numbers for social distancing and create an attendance list for Test and Trace. The pastoral visitors and other pastoral contacts will facilitate the booking system for those who do not have access to online technology.

You can register for the following services by clicking on the links. You'll need to answer all the questions before the 'register'; button is activated, so if you aren't in a bubble, or don't need a particular seat, just put 'no':

Worship for children with their families on Sunday 25th October, 10 - 10.45am
